

This tractor has been donated for auction to Americans of Faith by an anonymous family who obtained it from the original owner who had purchased it new and has since passed away at 89 years old.

Americans of Faith is a non-profit organization that seeks to make a difference in the public arena regarding the issues that matter most. They stand for integrity in government, high moral values, constitutional authority, and Christian principles. Their purpose is to educate and influence voters and politicians to keep their commitment to both liberty and law; that America may continue to be one nation under God. They are not tied to any political party.

Note from the donating family,

We believe that God was the essential agent in the most powerful line of the whole Declaration of Independence: "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness," and to secure these rights governments are instituted. We love our country, and everything it stands for and represents, and we feel strongly that if there is going to be a sustainable future for our kids and grandkids that it's time to invest. As JFK once famously quoted Edmond Burke, "The only thing necessary for the triumph of evil is that good men should do nothing."

In 2nd Chronicles the author uses the history of Judah to demonstrate that God blesses His people when they remain faithful and joyfully worship the Lord. He writes in 2 Chronicles 7:14, "...if my people who are called by my name humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and heal their land." As a family, we believe our nation is at a crossroads and it's our prayer that our country would experience a revival like none before, that we would turn to Him, and that He will heal our lands.

In closing, "God bless America, land that I love, Stand beside her and guide her, Through the night with the light from above!"
