AUCTIONEER'S NOTE:

Due to the unexpected death of her husband, Rod Voss, Catherine "Katie" Voss has no further use for Rod's farm machinery. Rod took great pride in his family's farm and used this machinery to care for it. This is a very nice offering of older, mid-sized and smaller farm machinery that would be of use to most any farming operation or small acreage. Read this list carefully and make plans to attend this live, on-site auction! Live, online bidding will also be available.

Load-out assistance until 4:00 pm sale day & Monday, July 20th | 9:00 am – 3:00 pm only.
PLEASE NOTE: Not many small items, so be on time! Tractors will sell early in the auction.
