AUCTIONEER'S NOTE:

At 104 years old, Donald "Shorty" Peterson has decided to rent his farm and slow down a little. This is an outstanding offering of low-time, late model, farm machinery.

Although online bidding is available, make plans now to attend this live, on-site auction in person to help celebrate Shorty's long and well-lived life on the farm. At the same time and place, we will also sell the remaining farm equipment of Shorty's long-time neighbors, Pat and the late Ron Kerres.
